DECLARATION OF CONFORMITY regarding Regulation (EC) No. 1907/2006

Company: _____

Contact: _____

Phone no.: _____

E-mail: _____

The European Chemical Agency ECHA published a candidate list of substances of very high concern meeting criteria of article 57 of the Regulation (EC) No. 1907/2006 ("REACH") and being determined according to the procedure established by article 59 of the above mentioned Regulation.

- The products which we supply to Würth International AG do not contain a concentration equal to or greater than 0,1 % by mass of any of the substances included in the candidate list according to annex 14 and do not contain any of the substances which are subjected to restrictions according to annex 17 **(the limit of >0.1% has to be calculated based on every single part of the product)**..
- The products which we supply to Würth International AG do not contain a concentration equal to or greater than 0,1 % by mass of any of the substances included in the candidate list according to annex 14 and do not contain any of the substances which are subjected to restrictions according to annex 17 with the exception of the products listed in the table on page 2 **(the limit of >0.1% has to be calculated based on every single part of the product)**.

We confirm that we will inform you automatically should the products we supply to you contain substances included in a potentially newly published candidate list or should new products contain substance indicated on the candidate list existing at that point in time .We furthermore confirm that we will report to ECHA products containing substances published in the candidate list on or after 1 December 2010 at the latest 6 months after publication.

We are aware that a violation of the duty to inform arising from the REACH regulation within the area of the EC may result in considerable financial and non-material damage. It has been pointed out to us explicitly that we are obliged to comply with the above-mentioned duty to inform on our own and without being solicited.

In the internal relationship we will therefore indemnify Würth International AG against direct or indirect material or non-material damage - especially claims for damages by end users - which result from us violating the above-mentioned duties to inform. The burden of proof will be on us to establish that we have taken all necessary and required measures to comply with these duties.
